Re-elected and new members of the 2020-2021 Board of Directors

Julie Henrichon
In election

Julie Henrichon has been an engaged, committed philanthropist for several years. As President of the Fondation Henrichon-Goulet, she supports several causes that are important to her, more specifically health-, student retention- and arts-related causes.

She is involved with Alter Ego Capital, a private investment company, and was Human Resources Director at Deluxe Paper Products, a manufacturer of flexible packaging for the food industry.

Ms. Henrichon is Vice Chair of the Ancre des Jeunes Board of Directors and was the honorary co-chair of the Soirée Instants magiques – Parkinson Québec.

She has bachelor's degrees in law and industrial relations and is completing a certificate in philanthropic management.

Jean Lamothe
In election

Jean Lamothe began his career as a civil engineer in James Bay. He worked on Hydro-Québec's Hydro Electric project. He then chose to go back to school, which allowed him to obtain a master's degree in financial law as well as an MBA. He was a lawyer specializing in corporate finance for more than 30 years. The last 20 years were spent at Stikeman Elliott.

Jean was a member of Parkinson's Board of Directors from 2010 to 2014, successively as a director and vice-president. After his departure from the Board, Mr. Lamothe remained involved in different projects and on different committees of Parkinson Quebec. He is still a member of the Strategic Initiatives Committee to this day.

Florent Durieux
New board member

Florent Durieux is a business strategy advisor at Adsum Consulting Group. He contributes to the concrete implementation of strategic goals, which help to deliver value, both economic and societal. He joined the Parkinson Québec Board of Directors from this perspective:

"I never forget how Parkinson's Disease affected my grandfather, who unfortunately passed away several years ago. I therefore joined the Parkinson Québec Board of Directors with the hopes of providing concrete help to people living with the disease."

Florent is a member of the Ordre des Administrateurs agréés du Québec, has a degree in environmental engineering and a Master's in strategy.

Daniel Cauchon
New board member

With more than 30 years' experience with charitable organizations, Mr. Cauchon offers unique experience in management as well as in development and improvement of programs and services.

Professional experience: Mr. Cauchon's experience includes president at Danicau Services Conseils (firm specialized in management consulting services for non-profit foundations and organizations), president and CEO of the Quebec Cancer Foundation (organization with more than 60 employees, headquarters in Montreal and five service centres in Quebec), and senior advisor at Ketchum Canada, one of the most influential Canadian fundraising firms. As Executive Director of the Fondation de l'Hôpital du Saint-Sacrement and founding member of the Conseil provincial de la Fondation des pompiers du Québec pour les grands brûlés (Loto pompier), Mr. Cauchon participated in establishing and developing these two organizations.

Education: Mr. Cauchon holds a bachelor's degree in Communication from Laval University in addition to a Master's in Administration. Since 2012, he has taught in Université de Montréal's certificate program in philanthropy. Mr. Cauchon has been a member of the Parkinson Québec Board of Directors since 2019.

Stéphanie Proulx
New board member

Stéphanie Proulx has been working for the last 23 years at Raymond Chabot Grant Thornton in the assurance sector. Stéphanie is a graduate of l'École des Hautes Études Commerciales and is a CPA, CA. As a partner of the firm she offers accounting and assurance services to multiple not for profit organizations in different sectors.

She is seeking a new mandate to pursue her commitment and contribute her skills to the Board of Directors. As a Parkinson Québec Board member from 2013 to 2019 and treasurer from 2015 to 2019, she is well versed in the challenges facing Parkinson Québec.

André Lemelin
New board member

A career development manager, trained psychologist and management consultant, Mr. Lemelin has developed a global expertise in the strategic development of organizations. As an Executive Director/General Manager, he has set up and managed institutions in the healthcare system for more than 20 years. A member of various boards of directors, he was a director of Parkinson Québec from 2008 to 2016 and Chairman of the Board from 2012 to 2015.

Retired a few years ago, he has continued his involvement with Parkinson Québec for more than 12 years, contributing his expertise, knowledge of the cause and the organization in order to support those living with Parkinson's disease.
