

Palliative and end-of-life care

To learn more about this topic, we offer documentation on palliative and end-of-life care.

Government of Quebec

1- On the Government of Quebec website, by clicking on the following link, you will find information on the important topics: Advance Medical Directives, Medical aid in Dying, Act respecting end-of-life care and Palliative care.

<https://www.quebec.ca/en/health/health-system-and-services/end-of-life-care>

2- In addition, in the Publications/ Subjects / Palliative care section, two downloadable booklets concerning advance medical directives and the rights of a person at the end of life are available on the Ministry of Health and Social Services website.

<https://publications.msss.gouv.qc.ca/msss/en/>

For your convenience, here are the direct links to download the booklets:

[Advance Medical Directives – Act Respecting End-Of-Life Care](#)

[Rights of a person at the end of life – Act respecting End-Of-Life care](#)

Booklet Biblio-Santé: End-of-Life Care

On the booklet entitled “End-Of-Life care and Palliative Care”, the Quebec Public Libraries Association offers a list of organizations, a selection of websites as well as suggestions for relevant reading to better understand this subject.

This notebook is updated annually.
